

Vaillant Boiler Information Guide

Product Identification example for VUW 246/3-3 R1

VUW	246	/3	-3	H	R1	
Product abbreviation	Model	Generation	Appliance type	Gas type	Variant	

Product Abbreviations

VC	Wall hung boiler suitable for vented and unvented hot water systems and central heating.
VCW	Wall hung boiler supplying central heating and instantaneous domestic hot water.
VU	Wall hung boiler suitable for vented and unvented hot water systems and central heating.
VUW	Wall hung boiler supplying central heating and instantaneous domestic hot water.
VUI	Wall hung boiler supplying central heating and instantaneous domestic hot water with built in storage tank.
VK	Floor standing atmospheric gas boiler.
VKK	Floor standing gas condensing boiler.
VIH	Unvented indirect hot water storage cylinder.
VFK	Solar evacuated tube collector.
VTK	Solar flat plate collector.
VWS	Ground source heat pump.
VAR	Mechanical ventilation and heat recovery system.
